 - nil or zero.

NOTE

Table 3 - Propane and Propane Mixes

Commencing with the January 1967 publication, "the Receipts in Canada from gas processing plants", "Domestic disappearance" and "Net sales in Canada" for the province of Saskatchewan include the propane disposition of gas plant product for Manitoba. See footnote (5) at end of Table 3.

- nil or zero.

NOTE

Table 3.

Beginning with February 1967, the Propane and Propane Mixes and Butane and Butane Mixes tables do not include any product from gas processing plants. The complete tables reflect only the refinery production and disposition.

The gas plant production and disposition will be presented in a separate publication.

NOTE

Table 3.

Beginning with February 1967, the Propane and Propane Mixes and Butane and Butane Mixes tables do not include any product from gas processing plants. The complete tables reflect only the refinery production and disposition.

The gas plant production and disposition will be presented in a separate publication.

- nil or zero.

NOTE

able 3.

Beginning with February 1967, the Propane and Propane Mixes and Butane and Butane Mixes tables do not include any product from gas processing plants. The complete tables reflect only the <u>refinery</u> production and disposition.

The gas plant production and disposition will be presented in a separate publiation.

SYMBOLS

The interpretation of the symbols used in the tables throughout this publication is as follows:

- r revised figures.
- .. figures not available.
- ... figures not appropriate or not applicable.
- nil or zero.

NOTE

Table 3.

Beginning with February 1967, the Propane and Propane Mixes and Butane and Butane Mixes tables do not include any product from gas processing plants. The complete tables reflect only the refinery production and disposition.

The gas plant production and disposition will be presented in a separate publication.

 - nil or zero.

NOTE

Table 3.

Beginning with February 1967, the Propane and Propane Mixes and Butane and Butane Mixes tables do not include any product from gas processing plants. The complete tables reflect only the <u>refinery</u> production and disposition.

The gas plant production and disposition will be presented in a separate publication.

NOTE

Table 3.

Beginning with February 1967, the Propane and Propane Mixes and Butane and Butane Mixes tables do not include any product from gas processing plants. The complete tables reflect only the <u>refinery</u> production and disposition.

The gas plant production and disposition will be presented in a separate publication.
